## Consultation

### Consultation and Visia Skin Analysis - £35

*(Consultation fee is redeemable against aesthetic treatment uptake)*

The in depth consultation will be carried out by one of our fully qualified team of experts. The visia skin analysis allows both the client and clinician to assess the skin for complaints such as pigmentation, pores, wrinkles, broken blood vessels, rosacea, UV spots and photo damage. This aids the clinician in developing a targeted tailor made treatment programme for the client.

## Facial Treatments

### Facial Smoothing Treatments

- 1 area - £140
- 2 areas - £220
- 3 areas - £298

To relax muscles mainly in the upper forehead and around the eyes. This results in prevention of premature wrinkles and smoothes out existing wrinkles.

### Treatment for Hyperhidrosis

- from £400 per treatment

*(Excessive underarm sweating)*

### Sculptra

- 1st treatment (2 vials) - £720
- 2nd treatment (2 vials) - £720
- 3rd treatment (1 vial) - £400

This non-invasive natural volumiser restores volume and contour to the face. It is an ideal treatment if you have suffered weight loss have cheek hollows or a general loss of volume in the face. The treatment can last up to 3 years. Approximately 3-5 treatments are required with the cost of treatment dependant upon how much product is used with each individual. This is assessed at a consultation.

### Dermal Fillers - from £300 per treatment

To provide gentle volumising and contouring creating a naturally attractive effect to smooth and fill lines and wrinkles. We use non animal products. The cost of treatment is dependant upon how much product is used with each individual and is assessed at a consultation.

### Juvéderm Hydrate - £450

This treatment is designed to hydrate skin especially on the face, neck, hands and décolletage. Adequate hydration is fundamental to maintain a healthy skin tone, elasticity and a smooth youthful appearance. A full course of treatment is carried out over three appointments.

## Skin Peels

### DCL/Neostrata/Glo Glycolic Skin Peel

- £50 per treatment

*Courses of 6 – purchase 5 receive one free\**

The glycolic peel provides a great exfoliation, leaving skin feeling luxuriously smooth and clean. The clinically active willow herb extract helps soothe and calm the skin whilst the beneficial active glycolic takes effect. This is an excellent treatment for anti ageing, pigmentation and acne reduction. There is no down time or shedding of the skin. A course of 6 or more is recommended for optimal results.

## Clinical Facials

### Glo/Agera Facials

Experience the beauty of science with the glo and Agera skincare range. Glo and Agera are scientifically endorsed ranges of skin care products that have been clinically proven to penetrate and stimulate to provide visible results in anti-ageing, anti-pigmentation and acne treatments.

Their powerful antioxidants protect against free radical damage, while retinols of varying strengths smooth fine lines and wrinkles. Growth factor peptides help to control the skin's internal ageing process. These facials also complement our skin peels and medical microdermabrasion treatments.

#### **Glo/Agera Anti-Ageing Facial - £45**

Dry mature skin can be flaky and dull with fine lines and wrinkles. These facials are designed to improve regenerative capabilities of the skin through gentle cleansing, controlled exfoliation, hydration and SPF environmental protection. The skin is treated with bio-active, vitamin delivery therapies to stimulate, repair and firm for younger-looking skin.

#### **Glo/Agera Hydrating Oxygen Facial - £45**

Excellent for tired sluggish skin polluted by environmental toxins, sun damage, smoking and improper diet. These oxygen generating facials detoxify, stimulate cell regeneration, increase circulation and hydrates, resulting in a brighter complexion and a natural healthy glow.

#### **Glo/Agera Deep Cleansing Acne Facial - £45**

Oily, acne prone skin tends to have enlarged, clogged pores and blemishes and can look shiny and feel greasy. These facials provide thorough cleansing with exfoliation to help control oil and treat problem skin. Skin is deep cleansed and gently exfoliated then treated with detoxifying agents to purify problem areas.

#### **Glo/Agera Mini Facial - £20**

These facials cleanse, tone, moisturise and revive skin. Perfect for a quick pick me up.

### DCL Glycolic Facials

#### **DCL Anti-Ageing Facial - £45**

Perfect for dry and mature skin, this facial regenerates through gentle cleansing, exfoliation with a 10% glycolic acid soothing mask whilst hydrating with moisturisers then protecting with SPF's. The skin is treated with a powerful dose of hyaluronic acid which helps to restore ageing skin to its ideal state.

#### **DCL Acne/Oily Facial - £45**

Using an active cleanser and clearing hydrator, this facial is ideal for oily blemished skin with blocked pores. The 10% glycolic acid pads exfoliate and smooth the surface of the skin and a deep cleansing mint mask helps to remove blocked pores and bacteria from the skin improving texture and tone.

#### **DCL Hydrating Facial - £45**

This facial is ideal for skin that is dull, dry, dehydrated and sun damaged. The intense hydrating mask and serums contain vitamin C which replenish and moisturise promoting smoother, firmer younger looking skin. Then tone and texture is enhanced using the 10% glycolic acid pads creating healthy looking skin.
