## Consultation

### Consultation and Visia Skin Analysis - £35

*(Consultation fee is redeemable against aesthetic treatment uptake)*

The in depth consultation will be carried out by one of our fully qualified team of experts. The visia skin analysis allows both the client and clinician to assess the skin for complaints such as pigmentation, pores, wrinkles, broken blood vessels, rosacea, UV spots and photo damage. This aids the clinician in developing a targeted tailor made treatment programme for the client.

## Facial Treatments

### Facial Smoothing Treatments

- 1 area - £140
- 2 areas - £220
- 3 areas - £298

To relax muscles mainly in the upper forehead and around the eyes. This results in prevention of premature wrinkles and smoothes out existing wrinkles.

### Treatment for Hyperhidrosis

- from £400 per treatment

*(Excessive underarm sweating)*

### Sculptra

- 1st treatment (2 vials) - £720
- 2nd treatment (2 vials) - £720
- 3rd treatment (1 vial) - £400

This non-invasive natural volumiser restores volume and contour to the face. It is an ideal treatment if you have suffered weight loss, have cheek hollows or a general loss of volume in the face. The treatment can last up to 3 years. Approximately 3-5 treatments are required with the cost of treatment dependant upon how much product is used with each individual. This is assessed at a consultation.

### Dermal Fillers - from £300 per treatment

To provide gentle volumising and contouring creating a naturally attractive effect to smooth and fill lines and wrinkles. We use non animal products. The cost of treatment is dependant upon how much product is used with each individual and is assessed at a consultation.

### Juvéderm Hydrate - £450

This treatment is designed to hydrate skin especially on the face, neck, hands and décolletage. Adequate hydration is fundamental to maintain a healthy skin tone, elasticity and a smooth youthful appearance. A full course of treatment is carried out over three appointments.

## Skin Peels & Medical Microdermabrasion

### Agera Skin Peel - £50 per treatment

*Courses of 6 – purchase 5 receive one free\**

This peel is a mixture of alpha, beta and polyhydroxyacids - anti-microbial and antioxidant, deeply penetrating nanosomal delivery. It is an effective treatment for anti-ageing, pigmentation and acne reduction. There is no down time or shedding of the skin. A course of 6 or more is recommended for optimal results.

## Aesthetic Treatments

### Obagi Peel - £ POA

The Obagi skin care system can transform your skin at the cellular level. By addressing the signs of photodamage and restoring the healthy function of your skin cells, this system is clinically proven to result in younger and healthier looking skin.

### DCL/Neostrata Glycolic Skin Peel

- £50 per treatment

Courses of 6 – purchase 5 receive one free\*

The glycolic peel provides a great exfoliation, leaving skin feeling luxuriously smooth and clean. The clinically active willow herb extract helps soothe and calm the skin whilst the beneficial active glycolic takes effect. This is an excellent treatment for anti ageing, pigmentation and acne reduction. There is no down time or shedding of the skin. A course of 6 or more is recommended for optimal results.

### Skin Tech TCA Skin Peel

Course of 4 peels - £600

A more aggressive peel used for more effective results. Four treatments are required one week apart. You may experience shedding of the skin for 2-3 days. An SPF must be applied daily. Used for anti ageing, pigmentation and acne reduction.

### Medical Microdermabrasion

- £75 per treatment

Courses of 6 – purchase 5 receive one free\*

A very powerful exfoliation used to effectively and safely remove dead skin cells from the outer layer. A vacuum then encourages an increase in collagen production.

### Combined Treatment

- £95 per treatment

Courses of 6 – purchase 5 receive one free\*

This consists of an Agera peel & medical microdermabrasion used in combination.

### Endermologie - from £45 per treatment

Endermologie keymodule is the first FDA approved and clinically proven method to reduce cellulite, tone up, improve circulation and water retention, combat muscle stiffness, back pain and IBS. The treatment is for body and face and can be used for relaxation as well as a target driven treatment.

Body: To combat cellulite a course of between 10-20 treatments is usually recommended to achieve most desired results.

Face: Tone up and tighten the face with a beauty flash treatment. This can be performed as a one off for a special occasion or as a course to achieve the best results.

### Accent Skin Tightening - from £70 per area

Accent uses radiofrequency technology to heat the inner layer of the skin whilst cooling the outer layer creating a natural reaction. This reaction promotes new collagen to firm and smooth whilst tightening the skin. A course of treatments can provide you with firmer, tighter skin and an improvement in its appearance.

## Combined Treatment

### Endermologie & Accent

When these treatments are used in combination with one another they provide impressive results. A therapist determines which treatments are suitable for you and will create your own personalised treatment programme. Discounts are available on all combination courses.

## Clinical Facials

### Agera Facials

Experience the beauty of science with the Agera skincare range. Agera is a scientifically endorsed range of skin care products that have been clinically proven to penetrate and stimulate to provide visible results in anti-ageing, anti-pigmentation and acne treatments.

Their powerful antioxidants protect against free radical damage, while retinols of varying strengths smooth fine lines and wrinkles. Growth factor peptides help to control the skin's internal ageing process. These facials also complement our skin peels and medical microdermabrasion treatments.

#### **Agera Anti-Ageing Facial - £45**

Dry mature skin can be flaky and dull with fine lines and wrinkles. This facial is designed to improve regenerative capabilities of the skin through gentle cleansing, controlled exfoliation, hydration and SPF environmental protection. The skin is treated with bio-active, vitamin delivery therapies to stimulate, repair and firm for younger-looking skin.

#### **Agera Hydrating Oxygen Facial - £45**

Excellent for tired sluggish skin polluted by environmental toxins, sun damage, smoking and improper diet. This oxygen generating facial detoxifies, stimulates cell regeneration, increases circulation and hydrates, resulting in a brighter complexion and a natural healthy glow.

#### **Agera Deep Cleansing Acne Facial - £45**

Oily, acne prone skin tends to have enlarged, clogged pores and blemishes and can look shiny and feel greasy. This facial provides thorough cleansing with exfoliation to help control oil and treat problem skin. Skin is deep cleansed and gently exfoliated then treated with detoxifying agents to purify problem areas.

#### **Agera Mini Facial - £20**

The facial cleanses, tones, moisturises and revives skin. Perfect for a quick pick me up.

## DCL Glycolic Facials

#### **DCL Anti-Ageing Facial - £45**

Perfect for dry and mature skin, this facial regenerates through gentle cleansing, exfoliation with a 10% glycolic acid soothing mask whilst hydrating with moisturisers then protecting with SPF's. The skin is treated with a powerful dose of hyaluronic acid which helps to restore ageing skin to its ideal state.
